## Elevator Professionals

Alben supplies all types of elevator components and complete elevator packages for machine room and machine room-less applications. Driven by a market need for custom-tailored elevator packages, Alben's solutions provide flexible designs that will fit into a wide range of buildings in either new constructions or modernization projects.

Alben's components and systems are renowned for their high levels of quality, reliability and safety, and it is this combined security and trust fostered with the customers and end-users alike that has led to the global expansion of the elevator business.

Alben creates excellent harmonies among aspects which results in a positive user experience, aesthetically, functionally and ergonomically. Combining its experience with team spirit, Alben provides components and complete solutions for:

Standard & Caribonated MPUs  
Standard Machine Room  
Hydraulic Elevators

*ETC.*
